Subject: SRDC Proposal for a twinning between Park of Gran Sasso and Monti della Laga and National Park Gaurishankar - Himalaya - Nepal.

As a result of your note, we report the following.

The National Park Gran Sasso and Monti della Laga, which I chair, confirm the full cooperation and support to the partnership with the National Park Gaurishankar - Himalayas - Nepal, as suggested by the Government of Nepal (SRDC).

We are fully in line with the proposals of the joint promotion of tourism, research and livelihoods of local people.

In addition, we accept with enthusiasm the opportunity to exchange visits between staff of the two parks and then arrange future meetings of coordination.

It is then our intention to mandate the association Explora International Nunaat to play the role of intermediary in all actions related to the twinning between our two Parks.

Sincerely.

The President of of the National Park of
Gran Sasso and Monti della Laga
